GAMESHARK®

Wanna Beat the Game™?

Beat the game with thousands of pre-loaded codes including infinite health, ammo, and time. Dominate your opponents by unlocking secret levels, characters and vehicles. Customize your cartridge code list. Join the online community by accessing more codes on GameShark.com, emailing them to your friends, or submitting your own game saves for inclusion on GameShark.com. The GameShark SP for GameBoy® Advance and SP is definitely one of those must have accessories.

PC required but not included. Not Macintosh compatible.
